CATALINA HANNAH	You can add your frequent flyer number at the airport.	0067396973687

Travel Alert!

The TSA has adjusted its ban on **liquids, aerosols, and gels,** so you can now carry the following items on board your flight:

- **Travel-size toiletries (3 ounces or less) that fit comfortably in a quart-size, clear plastic zip-top bag.** One zip-top bag is permitted per passenger. Beverages and other items purchased in the secure boarding area.
- At the security checkpoint, place the zip-top bag of liquids in a bin or on the conveyor belt for inspection.
- Passengers carrying on larger amounts of **prescription liquid medications, baby formula, and diabetic glucose treatments** must declare these at the security checkpoint for additional screening.

Arrive at the airport early. Enhanced security measures may mean longer lines at security checkpoints.

This new security policy applies to all domestic and international flights departing from U.S. airports. We always recommend checking the TSA Web site (www.tsa.gov) for the most up-to-date information about security procedures. If you are departing from a non-U.S. airport, be sure to check that airport's security policies and pack accordingly.
