Hi Steve,

Following are the booking forms for Dave and me. I paid my deposit online and Dave will do the same within the next few days. I am currently in the process of renewing my passport. It expired sometime around June 2001, but I it was a youth passport so I am not sure if they will issue me the same number or not which is why I chose not to send it. As soon as I receive my new passport, I will send the information over to you.

Thanks for all of your help,

Cara Russo

Geotechnical Investigations

Environmental Studies

Chemical Process Engineering
